

# Two Bag Free Program: Municipality of the District of Lunenburg FAQs

## Who can use this program?

Residents can bring two bags of garbage to the Community Recycling Centre weekdays between 8:00 am to 4:30 pm.

## What type of bags are accepted?

Clear, colourless bags. Each bag may weigh up to 25 kgs (55 lbs) and measure no more than 76 cms wide x 122 cms long (30 inches x 48 inches).

## Is there anything that shouldn't be put in these bags?

Food or yard waste, recyclables, paper, cardboard, hazardous waste or construction and demolition waste. Just like at the curbside, these items are recyclable or hazardous and must be separated from landfill.

## Do I have to provide information when I drop the bags off?

Residents are asked to give their name and address to verify where the waste came from.

Bags are inspected by site staff periodically to ensure waste is sorted properly.
